CLERK, U.S. DISTRICT COURT
WESTERN DISTRICT OF TEXAS

BY

DEPUTY CLERK

I regret having to write you again regarding problems I am having with my attorney but I don't know what else to do.

Since my trial I have only been able to talk with Mr. Orr for 60 minutes alone. There are significant items regarding my case which are not getting taken care of.

Several of these items are time sensitive and have the definite possibility of effecting me in a negative way if they don't get done.

I have been in County jail over a year and as you are aware will probably be here another year awaiting for the state to prosecute me for essentially the same incidents.

Mr. Orr took this case for a fixed sum of money. I feel he is no longer motivated to do what is necessary to complete this incredibly important matter.

Please advise me. Daniel A. Yeakel

With 5 days left to state
objections to the PSI I have
not seen or heard from Steve.
This is critical.

I don't feel I can move forward
with Mr. Ans. if something doesn't
significantly change.
